Elections are Approaching !

The **next HOA General Meeting** will be an **Outdoor meeting held on July 17th at 7:30 PM at the Baptist Church Hall.**

The main Agenda Item for the next meeting will be the Nomination of potential Candidates to run for the Board at the Fall Election in **October.**

The Homeowner's Association is run by a 5 member volunteer board of directors. Day to day management is accomplished by consensus decisions of the Directors.

The current Board member seats that expire are:

- Leah Ottley
- Kevin May
- Alan Anderson

In the Directors election this Fall the top vote getter will be for a 2 yr term and other 2 for a 1 yr term. After the Directors are elected, they will meet and select the officers for the 2009 Year.

The goal of the board of directors is to foster homeowners' pride in the neighborhood and foster a sense of community. In doing so, we hope to maintain/increase our property values. The board is committed to making Stamey's Walk the best subdivision in the county.

Being on our HOA board is a little like being on community team. With relatively small dollars in an HOA budget, the board must make wise and conservative decisions. You' must be available for evening meetings and regular monthly meetings.

And serving on an HOA board is like being the elected official of a small municipality. The budgets and problems are smaller, but the pressures are quite similar.

That is, you don't want to raise maintenance fees (dues), you want to build a reasonable reserve and you want to give your members every opportunity to attend meetings and make their wishes known.

Ballots will be mailed to each resident household. 1 Ballot per Lot. Only official Ballots that are mailed will be recognized in the final election at the meeting in **October.**

Come ! Volunteer !
Run for a Directors Seat and participate in the future of your Association.

The First

Community Watch

The Association is sponsoring participation in the North Carolina Community Watch Program. You will be seeing new signs at the entrance way and contact by Dan Dolphin our Community Watch Captain.

Neighborhood Watch is one of the oldest and most effective crime prevention programs in the country, bringing citizens

together with law enforcement to deter crime and make communities safer.

Neighborhood Watch counts on citizens to organize themselves and work with law enforcement to keep a trained eye and ear on their communities, while demonstrating their presence at all times of day and night.

Support for the program is dependent on all members of

the community. Keeping a watchful eye out for each other's property is the catalyst for the success of the program.

Provisions of the Declaration of Covenants—ENFORCEMENT POLICY

The Board of Directors is in the process of adopting a set of procedures and practices for the enforcement of the provisions of the Declaration of Covenants, Conditions, and Restrictions, Modifications, Guidelines and for the elimination of violations of the Declaration and the rules approved by the Board.

These procedures are being adopted in an effort to encourage owners to comply with the Association's governing documents.

A homeowners association may impose reasonable monetary fines for violations of its rules, regulations, bylaws and declaration only after giving the homeowner notice and an opportunity to be heard.

This means the resident must be given an opportunity to present his side of the story to the board before the fine is imposed. It is intended to mean that the size of the fine must be in proportion to the infraction. An outrageously large fine for a minor violation may well provoke litigation and this is an expensive, time-consuming, and divisive process that boards should try to avoid if possible. The

only appeal a homeowner has to contest a fine is to the courts.

The Board is reviewing this and will be making appropriate decisions in the coming months to establish a process and method to manage these types of issues. More to come at the General Meeting in July.
